Parent Helpers

Thank you again to all of those who have been able to come into Pre-School to be a 'parent helper'. We are managing to run 'freeflow' sessions on a regular basis, where the children are able to move freely between the indoors and outdoor area, because we have parents in the extra pair of hands make this possible. As the weather continues to improve we would obviously like your children to be able to do this every day.

We will therefore be locking the gates as soon as the last car leaves.

Your help is invaluable so please do keep signing up on the rota.

Allotment Update

The children have thoroughly enjoyed watching our vegetables and flowers grow. They have been very helpful with watering and weeding. We hope to have a harvest of something by the end of the term!! Pumpkins are soon to be transplanted from Michele's garden ready for October!
Please see the attached for further information!!!!!!

During Offwell Fete Week there will be a social event - they are planning a fish and chip night on Thursday 2nd July. Please let us know if you are interested in attending as tickets need to be purchased asap to ensure you have the food you want! (further information available from Michele)

And Finally.....Operational Plans to be reviewed.

We are once again attaching policies to be reviewed.

Please could you take a few minutes to read and, if you want to make comments/make amendments please let us know.

This is to ensure that all parents/carers have the opportunity to know our policies and, so you are more aware of how Pre-School is run.

This time it is.....Safety - Policy and Practice & Complaints Procedure
